

About Neighbors

What is GNVCares?

GNVCares provides temporary assistance to extremely-low, very-low and low-to-moderate income households by way of rent/mortgage and/or utility payments.

Eligibility

Eligibility will be determined based on proof of income and lost wages as a result of the pandemic. Individual households would receive up to \$1,250 applied directly toward housing and utility costs. Priority for individual assistance will be given to those demonstrating greatest need.

Documentation Required*

**Assistance can be provided if you have concerns about these documents.*

- Letter stating why rent, mortgage or utility payment is past due (March 16, 2020 and onward)
- Proof of income before COVID-19 pandemic (such as pay stubs or child support)
- Proof of income after COVID-19 pandemic (such as pay stubs or child support)
- Proof of loss of income (employer's termination letter and/or reduction of work hours letter)
- Copy of photo ID card for applicant and co-applicant (Driver's license or ID cards for all members over 18 years)
- Copy of current written rental lease agreement (lease must be executed prior to March 16, 2020)
Copy of current mortgage statement showing payment due for March 16, 2020 and onward
- Copy of utility statement showing payment due for March 16, 2020 and onward

Criteria

- Income verification to demonstrate extremely-low, very-low, and low income levels, with priority given to extremely-low, very-low and low income neighbors.
- Proof that COVID-19 pandemic caused unemployment or reduction in work hours which resulted in a reduction of wages.

Demographic information of applicant head of households will be collected, but not used for evaluation, and shall include: (1) race/ethnicity; (2) gender; (3) primary and secondary language; (4) disability status and (5) veteran status.
